

**November 10, 2008** - Mike Hansen, President of Catlin Canada, is pleased to announce that Greg Joyce and John Alford will be joining Catlin in their Calgary office in early December. Greg will assume the position of Product Manager - Energy and John will be Energy and Property Underwriter.

Both Greg and John join Catlin Canada from GCAN Calgary where they had established a significant domestic Oil & Gas portfolio, and where Greg was the manager of GCAN's Calgary office. John additionally brings an engineering background which has been utilized in both the underwriting and broking sectors

These appointments confirm Catlin Canada's intention to be a major player in the domestic Energy market and we look forward to building that portfolio over the coming years.
