Release 2009-26

We are pleased to announce that Stephan Roess will be joining Catlin Canada as Senior Aviation Claims Examiner in the Calgary office on Monday November 9th, 2009.

Stephan brings a broad knowledge of the aviation market and industry having previously worked for both a major loss adjusting firm and the largest aviation broker in Canada. We are delighted to have Stephan on board and we remain committed to continuing to provide the premier service to our brokers and their clients.

On Stephan's arrival all aviation claims matters should be directed to him. In the meantime please contact April Savchuk
