Catlin hits the slopes for RMHC

Twelve teams of four skiers took to the challenge at Mt. Tremblant and raced to support children and families for Ronald McDonald House Charities (RMHC). \$130,000 was raised and RMHC has committed to expand existing houses and are laying the groundwork to build two new homes in Canada.

Team Catin/Belfor Restoration consisted of Dawn Finnegan and Carri Wells, Belfor Restoration; April Savchuk, Catlin Canada and Maeve Davis, Chartis. The team also received a few tips from 2002 Olympic Bronze Medallist, Deidra Dionne.

Catlin will remain dedicated to helping out this great cause and we look forward to participating in 2011.
